About Measure T**

Governor George Deukmejian and Mayor Beverly O'Neill Agree:

Vote YES on Measure T
Tuesday, November 3rd
Keeps Our Tax Dollars Here
Exempts Seniors

Dear Friend,

I support Measure T because it will prevent 200 teacher layoffs, continue smaller class sizes, preserve college-prep courses, protect arts and music programs and save after school and gang prevention programs.

Measure T was carefully written to provide checks and balances on how, where and when our tax dollars are allocated. **In addition, Measure T specifically assures that seniors will not be taxed.**

Join Governor George Deukmejian and me in voting "Yes" on Measure T on the November 3rd ballot.

Thank you,

Mayor Beverly O'Neill (ret.)

Dear Fellow Senior,

We need to change the way our local schools are funded. We can no longer depend upon Sacramento to provide the funds necessary to maintain high-quality schools here in Long Beach, Lakewood and Signal Hill.

That's why I support Measure T on the November 3rd ballot. Measure T helps keep our schools among the best in the nation, which, in turn, keeps up property values and maintains healthy neighborhoods.

I dislike increased taxes under any circumstances. **However, I support Measure T largely because it exempts seniors from any tax increase.**

Please, help provide sorely needed funding to our local schools. Vote "Yes" on Measure T on Tuesday, November 3rd.

Thank you for your support.

Sincerely,

Governor George Deukmejian (ret.)
